

We're back!

Welcome to the second week of the summer term and our fifth week of school closure for most children. We are pleased to announce that the resource packs are ready! We hope that as many families as possible will be able to collect them. We have started calling families in (starting with Nursery, Reception and Year 1). The packs contain new resources: paints, crayons, felt pens (depending on age). Every child will have a whiteboard and pen, glue stick, rubber, sharpener and lots of paper-based activities to do. We aim for these to last a few weeks so please encourage your child to take their time and complete things carefully.

Home Learning Packs

Some of you have already been to school this afternoon to collect the new home learning packs (starting with Nursery, Reception and Year 1). Thank you. It has been good to see people (however briefly). Thank you for adhering to the guidance on keeping your distance. It is keeping all of us safe. If you have not collected your child's pack and they are in Nursery, Reception or Year 1, you will receive a text by the end of the day with information regarding collection. All other year groups will receive a separate message, when your packs are available to be collected.

Online Learning

Keep checking the class pages, FROG and the school website for new home learning resources, which are being updated daily. Remember to only do as much as you can with what you have and not to worry if you don't manage to do everything.

Home learning

Lots of children have been extremely busy getting on with their home tasks and online learning resources already this summer term. Below you can find some examples of the amazing work that children at Lily Lane have been doing. Keep up the great work! If your child has completed some work that you or they are proud of, send it to their teacher using their year group email.

Irfan in 6L has written a fantastic letter of thanks to his family. You have structured this letter brilliantly Irfan. Keep up the great work.

Izan in 4G and Carolay in 4B have worked together to make a recycled milk bottle bird house. This looks great, well done to the both of you!

Michael in 2P has been doing lots of investigative work around his new class topic, 'Is Earth the best place to be?'. You have found out some great information Michael.

Joseph in 6C has been getting lost in lots of books during his home learning time. He has also completed lots of his online learning tasks! Well done Joseph.

Jenson in 2J has been doing lots of outdoor learning over the last week and has been going for lots of walks with his family. You look like you're having fun Jenson!

Brooke in 6L got stuck into some planting over the weekend and has planted lots of seeds. We are looking forward to seeing the results Brooke, keep us updated.

There are so many great pieces of home learning being sent in each day. Don't worry if you haven't seen your contributions on the newsletter yet - they will be on soon!
