

## New home learning packs

We are busy preparing new home learning packs which we are aiming to have ready by the end of the week. We will update everyone tomorrow. We are currently waiting for some new resources to arrive and if they do not turn up tomorrow, collection of the packs will start on Monday. We are hoping that as many families as possible will be able to come in and collect their packs. This will also be an opportunity for most children to say a quick hello to their class teachers who will be busy helping sort and give out the packs. They would love to see you.

## Teacher Contact

Teachers have started making their phone calls home. Some teachers are ringing from the school number. Please remember if you receive a withheld number call, it will also most likely be from your child's teacher.

## Competition winners

The winners of the 'Paper Tower' and 'Word Challenge' competitions are:

- Lizzie 5S
- Brooke 6L and Courtney 4G
- Noemi 3G and Natalia 1H

Well done to you all. You produced some fantastic towers and came up with some amazing words! We will be in contact to organise the pickup/delivery of your hamper!

## Plans for reopening for more children

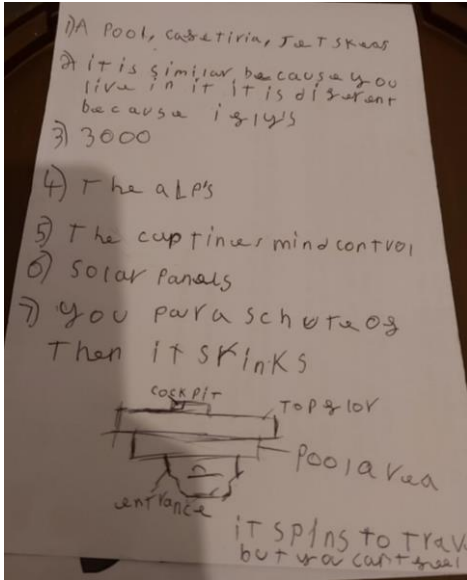

Following the government's confirmation that schools will begin to reopen for more children from 1<sup>st</sup> June, we are now making plans to welcome back year 6 in the week beginning Monday June 15<sup>th</sup>. This return date has been decided on in line with the most recent scientific advice.

Schools have been asked to create a plan which will help to keep our school community as a whole as safe as is possible in the current circumstances. Manchester Local Authority has advised that we are able to set our own course of action and timescales for how and when the school will reopen, subject to certain conditions being met.

We will be contacting year 6 families over the next two days to get an indication of numbers. The second year group we will reintroduce will be Year 1 (but this will not be until June 21<sup>st</sup> at the earliest). We will be sending out more information during the week.

## Home learning

Lots of children have been extremely busy getting on with their home learning packs and online learning resources. Below you can find some examples of the amazing work that children at Lily Lane have been doing. If your child has completed some work that you or they are proud of, send it to their teacher using their year group email.

Maisie in 3T has made a super start to the Summer term by working on her Maths and English work first thing on Monday morning! Well done, Maisie.

Dawda in 5L has produced some excellent work this week and has even come up with his own invention. This looks fantastic Dawda, keep up all of the great work!

Yuri in 1H has been busy this week working on his Maths and Science work, making predictions and measuring weight! Fantastic work Yuri, keep it up!

Courtney in 4G and her sister Brooke in 6L have made this fantastic paper tower over the half term which looks fantastic! You have both done a great job, it looks huge!

Ellis in 2J has written this incredible start to a story! Your imagination is brilliant and draws in the reader so we have to know what happened next Ellis, a huge well done!

Summer in 4S has made this fantastic piece of art work using stencil art! I love all of the different colours you have used Summer, this must have taken a lot of time and effort to make. Well done!
