

## New home learning packs

We are busy preparing new home learning packs which we are aiming to have ready by the end of the week. Unfortunately, we are still waiting for folders to arrive, so collection of the packs will start on Monday. We are hoping that as many families as possible will be able to come in and collect their packs.

## Plans for reopening for more children

Following the government's confirmation that schools will begin to reopen for more children from 1<sup>st</sup> June, we are now making plans to welcome back year 6 in the week beginning Monday June 15<sup>th</sup>. This return date has been decided on in line with the most recent scientific advice. Schools have been asked to create a plan which will help to keep our school community as a whole as safe as is possible in the current circumstances. Manchester Local Authority has advised that we are able to set our own course of action and timescales for how and when the school will reopen, subject to certain conditions being met.

We will be contacting year 6 families over the next two days to get an indication of numbers. The second year group we will reintroduce will be Year 1 (but this will not be until June 21<sup>st</sup> at the earliest). We will be sending out more information during the week.

## Chicken's Holiday

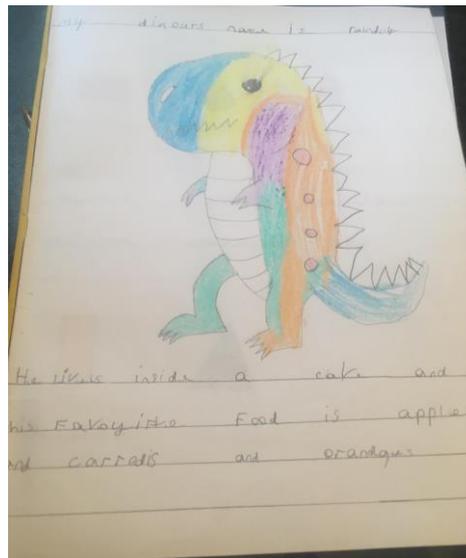

The school chickens' have gone on holiday this week to, 'Holly Bank Farm'. We thought it was only fair that they also got a half term break from school and had the opportunity to make some new chicken friends! But don't worry, they will be back at school in the next few weeks.

## Home learning

Lots of children have been extremely busy getting on with their home learning packs and online learning resources. Below you can find some examples of the amazing work that children at Lily Lane have been doing. If your child has completed some work that you or they are proud of, send it to their teacher using their year group email.

Leya in 2K has drawn this fantastic dinosaur at home and has been writing using conjunctions! This is really impressive Leya, well done and keep it up!

Saturday 18th April 1907

Dear Diary,

We were in Scotland today. I painted another picture - I'll see if I can copy it down in here, though it probably won't be as neat. There's not really much to report, mother shouted at some rude people, me and Christabel protested at some more rude people, so the same as always, really. I don't know what all these people have against women voting. If I ruled the nation, women would have been able to vote from the very start. Then we wouldn't all be in this mess of ruthlessness and anger. It's not fair. We SHOULD be able to vote. All the men can. All I can promise is that, the same as I always do, the suffragettes WILL be heard. Our cries will NOT be silenced. We WILL have justice.

Sylvia Pankhurst xxx

(my painting of a woman hard at work)

Melissa in 3G has been working extremely hard at home, working on her Maths and SPaG skills. You're doing a fantastic job Melissa. Mrs Grieve and Ms Cresswell are impressed!

Isabella in 6C has written an amazing diary entry as Emmeline Pankhurst's daughter, Sylvia! You have really captured Sylvia's voice Isabella, well done!

Willow in 1C has made a great start to home learning and has written this fantastic story about a spaceman! Well done Willow, keep up the great work!

### Fractions of a quantity

White Rose Maths

1 Complete the number sentences.

a)  $\frac{1}{4}$  of 20 =       d)  $\frac{1}{4}$  of 40 =

b)  $\frac{1}{5}$  of 20 =       e)  $\frac{1}{5}$  of 40 =

c)  $\frac{1}{10}$  of 20 =       f)  $\frac{1}{8}$  of 80 =

Yosola in 4G has been working extremely hard at home, completing her daily maths challenges. You are doing a fantastic job at understanding fractions Yosola, well done!

Greatwill in 5G has been researching tornadoes this week and has found out lots of information about them! Well done Greatwill, I think you're a tornado expert!
