

The Wizard of Moz

We have come to the end of our first week of family activities for the Wizard of Oz (which is already being referred to as The Wizard of Moz). We are looking forward to seeing pictures of home learning from the family activities pack. The children in school have done some great art work this week for Tornado week.

Year 6 can return to school

We are looking forward to welcoming 50 year 6 children back to school next week. They will be taught in 'bubbles' of ten children. We have chosen to use the upstairs classrooms for the bubbles. The rooms open out onto the hall and wide corridors. The children will be attending school:

Monday – Thursday for 4 hours each day.

Sadly, we have had to carefully pack up the classrooms so that we can get them ready for the Year 6 bubbles. We require up to 9 classrooms for Year 6 alone! We are beginning to plan for small class groups and family groups to come into school during the last three weeks of term, on different days, at different times. This will give children some experience of school and the opportunity to see their teachers before the end of term.

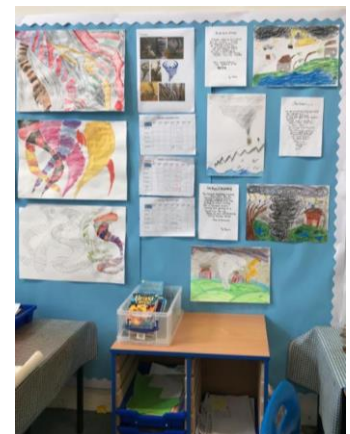

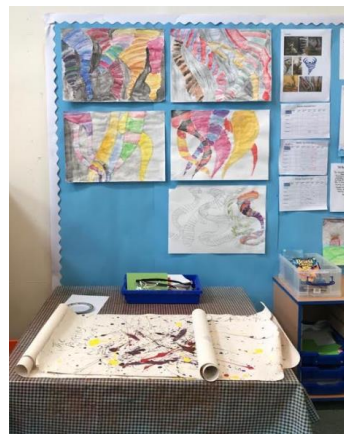

We are continuing to provide provision for our key learner and key worker children Monday to Friday.

Learning packs ready for collection

It has been great seeing people as they come in to collect their latest learning packs. Lots of packs have been collected today. packs can be collected on Monday between

**10.30 and 12.30
and 2.00-4.00 pm**

It can get quite busy at times. Please enter through the Kenyon Lane gate and follow the yellow brick road to the collection point.

Year 6 leavers livestream event – Wednesday 15th July

Following the success of our VE Day livestream event (we had 2.1K hits on the Facebook page and an estimated 500 viewing on the day), we have started planning a Y6 leavers version of The Wizard of Oz. The livestream event will take place in the week starting 13.7.20 and will follow a similar format as before with songs, dances and poetry which children can learn at home using teaching videos.

Year 6 will be very involved in the production and will be able to prepare for this event in school and at home. We would love the whole community to be involved and we have prepared themed weeks for family home learning.

Following feedback from questionnaires and phone calls we have planned family activity packs, so that all children will be able to do same activities. There will be lots of activities to choose from.

08.06.20 week 1- Tornado week

15.06.20 week 2 - Scarecrow week

22.06.20 week 3 - Tin man and sport week - oil those joints!

29.06.20 week 4 - Lion week

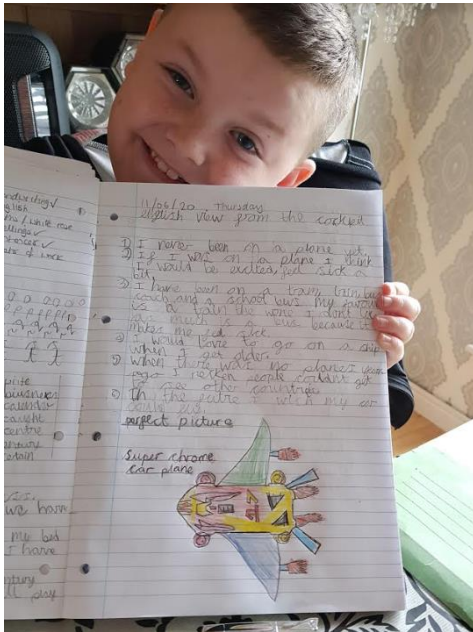

06.07.20 week 5- Emerald City week

13.07.20 week 6 - Live stream performance

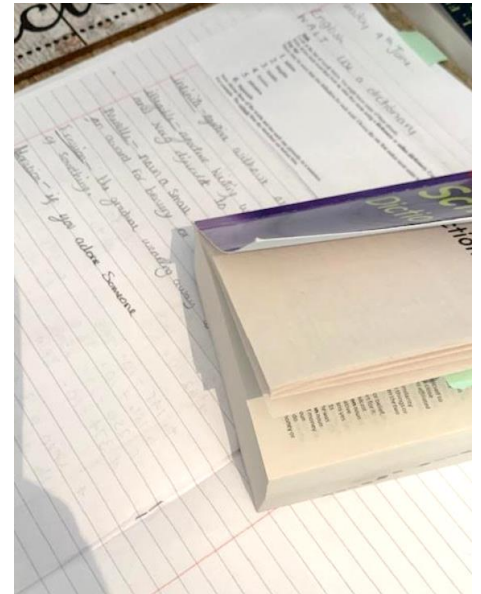

Home learning

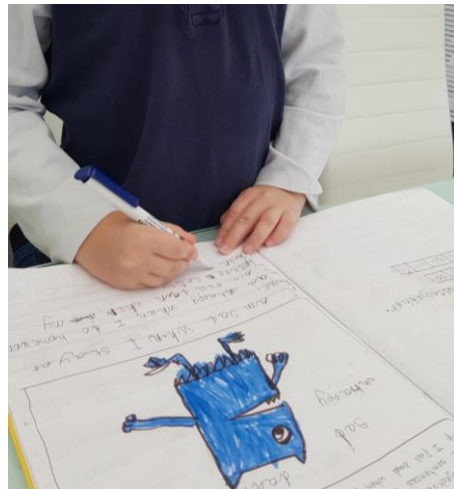

Lots of children have been extremely busy getting on with their home learning packs and online learning resources. Below you can find some examples of the amazing work that children at Lily Lane have been doing. If your child has completed some work that you or they are proud of, send it to their teacher using their year group email.

Yuri in 1H has been working hard in English this week, using adjectives within his sentences. Keep up the great work Yuri, Miss Hillis is extremely impressed with all of the good work!

Harley in 3G has created his very own hybrid vehicle this week, using elements of both cars and aeroplanes! This is fantastic Harley! I think you have designed the transport for the future!

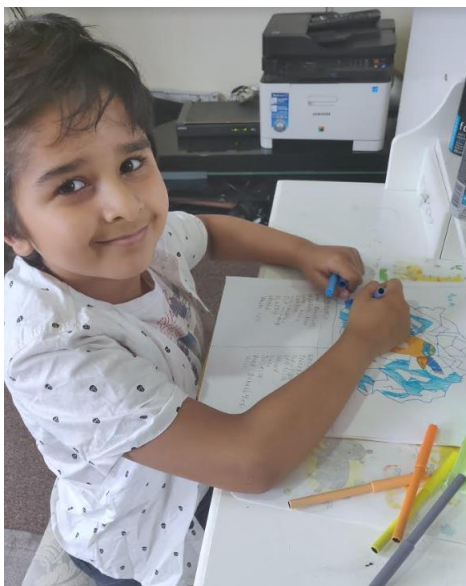

Courtney in 4G has been working extremely hard in English, focusing on her dictionary skills and expanding her vocabulary! My Glynn is impressed Courtney, keep up the great work!

Azan in 2P has been busy at home completing lots of home learning tasks and has produced some fantastic art work! Well done Azan!

Brooke in 6L has been bust this week researching tornadoes for the 'Y6 Leavers Performance' and has found out lots of great information. Well done Brooke!

Lizzie in 5S was one of the lucky winners from our summer half term challenge. She received her hamper yesterday and wanted to stay a huge thank you to everyone at Lily Lane!
