Football returns!

It seems fitting on the day football returns, after a 100 day absence that we get the announcement that, the government has changed its mind and will continue the food voucher scheme in England during the summer holidays, following a campaign by Manchester United and England footballer Marcus Rashford.

The Covid summer school fund will mean that children eligible for free school meals in term time will get a six-week voucher.

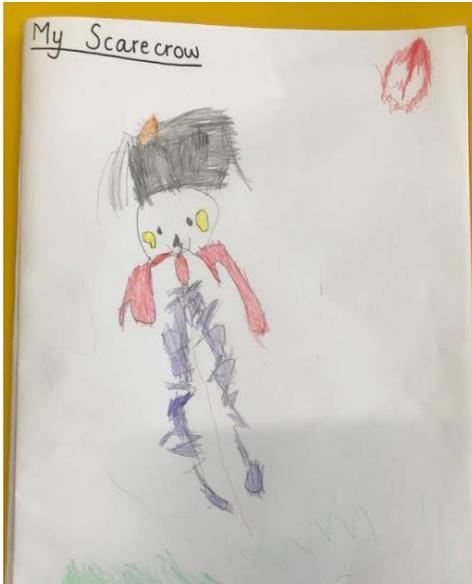

After the government announced the change, Rashford tweeted: "I don't even know what to say. Just look at what we can do when we come together, THIS is England in 2020."

Following the government's change of heart, he posted a statement on social media saying he was "proud" of what had been achieved. Rashford went on to say that "the wellbeing of our children should **ALWAYS** be a priority."

Home learning

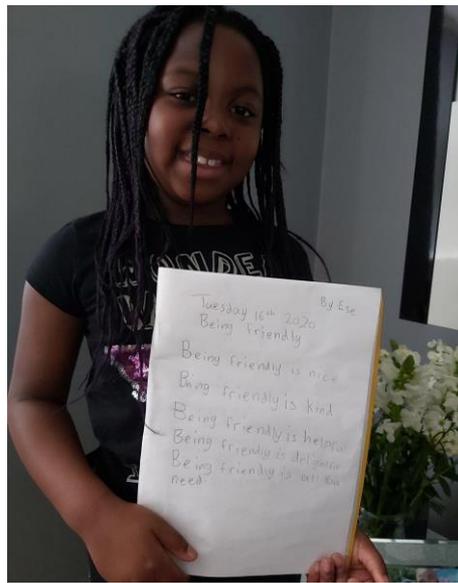

Lots of children have been extremely busy getting on with their home learning packs and online learning resources. Below you can find some examples of the amazing work that children at Lily Lane have been doing. If your child has completed some work that you or they are proud of, send it to their teacher using their year group email.

Ese in 2P has been researching 'Rosa Parks' this week and has written a fantastic poem about 'kindness'. This is excellent Ese, great work!

Jenson in Nursery has been busy this week completing some 'Wizard of Oz' art activities. Your scarecrow drawing is fantastic Jenson. You should be extremely proud of yourself!

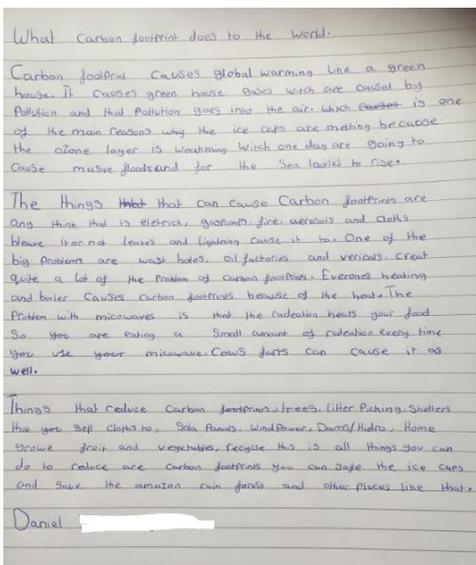

Inaaya in 1H has been working through her home learning pack this week and has coloured in this beautiful picture of a flower! You have stayed inside of the lines and done a great job Inaaya, keep up the great work!

Daniel in 6L has written a fantastic piece about 'what peoples' carbon footprint does to the world'. This is great Daniel; you have found some really interesting information.

Wendy in 5S has carried out a science experiment this week and has made her very own lava lamp at home! This is really impressive Wendy. What did you use to make it?

Maddison in Reception has used her fantastic art skills this week to draw the scarecrow from 'The Wizard of Oz'. I love all of the bright colours you have used Maddison, well done!
