

## We're still here !

Although our office is closing for the summer today, it will still be possible to contact us over the summer if you have any immediate enquires or concerns.

[familysupport@lilylane.manchester.sch.uk](mailto:familysupport@lilylane.manchester.sch.uk) (**Monday – Friday**) and someone will get back to you as soon as they can.

The school office is open again on Tuesday 1<sup>st</sup> September for any enquiries you may have. You can contact us using the school admin email address, [admin@lilylane.manchester.sch.uk](mailto:admin@lilylane.manchester.sch.uk) which will be the email contact address for the school from that date.

Important information about plans for opening school in September can be found on the website under latest news.

## Information for September

We are looking forward to seeing all children return to school in September. Over the last few weeks over half of the children have been in school and we have also seen other children at our Market and collecting reports and resources. This does mean however, we have many children who have not been in a classroom since March.

For this reason, all children will be returning to smaller groups for at least the first two weeks. In order to reduce numbers of children and adults in the playgrounds we have staggered start and finish times.

## New website

Our website is being updated over the summer so will have a slightly new look!

## Office in the playground

If government advice stays as it currently is sadly parents will still not be able to enter the building. We are setting up two information points in the playgrounds, one in the Kenyon Lane playground and one on our new bus in the main playground!

## Maths Pack

Maths activity packs have now been posted to all families, which also include your child's end of report (if you have not already picked it up). The pack contains family games and a Maths Market competition with prizes to be won. We look forward to seeing all of your amazing Maths Market ideas.

## Holiday Activities

Please remember there are poems, stories and songs on our holiday activities page. This has been updated to include the song and dance routines from the Wizard of Oz.

## Summer Learning

If you would like access to some quality reading, writing and maths activities, these can be found on Frog on your child's class page. This available for children in Year 1 – Year 5.
