

## We're back!

We hope everyone had a good weekend and that children have settled back into their learning for the week. We are now into our fifth week of home learning and have been impressed with how well everyone is doing. We know it is hard and that some children are finding it easier than others. We would like to remind you that for many children even engaging with one task each day either from the website, Tapestry or Frog, or one activity from the learning packs would be great. We don't want families to feel stressed about it. This week there will be lots of fun activities to do to mark VE day. Some are already on the website and class pages.

## VE Day 75th Anniversary

Friday 8 May 2020 is a Bank Holiday and school will be closed to all families. Britain will be commemorating the 75th anniversary of VE Day when the guns fell silent at the end of war in Europe. Due to the coronavirus restrictions most VE Day 75 events and street parties have had to be cancelled or postponed but we still want you to be able to mark the occasion, by working together as a community on a VE Day project and maybe have your own stay at home party.

We have planned a week of WW2 songs, dancing, poetry and many other activities and competitions. If you would like to get started over the weekend, there are three songs to learn on the website:

- Obey Your Air Raid Warden
- Run Rabbit Run
- We'll Meet Again

We have also posted a dance composed by Born and Bred Dance Theatre and Tameside College. There is a teaching video to go with it. There will be lots more information on the website from Monday. We hope you enjoy practising the songs and the dances.

## Home learning

Lots of children have been extremely busy getting on with their home tasks and online learning resources already this summer term. Below you can find some examples of the amazing work that children at Lily Lane have been doing. Keep up the great work! If your child has completed some work that you or they are proud of, send it to their teacher using their year group email.

Rahman in 4B has been busy at home this week baking with his mum. You look like you're doing a great job Rahman. Next stop, Great British Bake Off?

Yuri in 1H has made this fantastic 3D setting for the story 'Jack and the beanstalk'. You have put so much effort into this Yuri and the detail is excellent! Keep up the great work!

Harley in 3G has taken on the 'Weekend Fitness Challenge', with amazing results. Harley has planked, squatted and jumped his way through the weekend! Keep it up Harley, you're doing a great job!

Isla in 1C has been busy completing lots of science work about living and non-living things. You have a great understanding of this topic Isla, keep up the great work!

Kamran in 2K has created a hanging mobile solar system using a coat hanger and string from home. This looks great Kamran, you have clearly worked very hard on this.

Dates in 2K has made a super healthy solar system using different fruits to represent planets and asteroid belt. This is fantastic Dates, well done!

**Obey your Air Raid Warden**

One, be calm

Two, get out of bed

Three, don't run

Obey your air raid warden

Four, stay home

Five, keep off the highway

Six, don't phone

Obey your air raid warden

There are rules that you should know

What to do and where to go

When you hear the sirens blow

Stop, look, and listen

Seven, don't smoke

Eight, help all the children

Most of all

Obey your air-raid warden

Stop, look, and listen

Dim the lights

Wait for information

Most of all

Obey your air raid warden

Stop the panic

Don't get in a huff

Our aim today is to call their bluff

Follow these rules and that is enough

**OBEY!** your air raid warden
