

## VE Day 75th Anniversary

We have got to the end of another week of home learning. Well done everyone. We are all so impressed by the learning and the creative ways you are spending your days.

School is closed tomorrow for the VE day Bank Holiday. We hope you were able to join us for our VE day event in the playground this afternoon and we hope you like our new school bus!

We had a lot of fun and we hope you joined in at home. Thank you for all your lovely messages.

If you didn't get a chance to watch live, you can watch again if you have a Facebook:

We are editing a version of this as soon as possible to put on the website.

We would like to say a huge thank you to our talented staff Mr Boardman and Louise Fazackeley and to our visiting artists, dancer Olivia Peers and JO Farrow (Lancaster) for giving us such a wonderful and memorable afternoon. And also, to all the children, staff and families who joined in at home. We miss you all!
