Parents' Evenings

This year you are able to book appointment times for next week's parents' evenings online.

Please book your appointments as quickly as possible in order to stand a better chance of getting the time slots that you prefer.

There are enough appointment times for everyone. We will be making contact with families who have not replied early next week, in order to book a time slot with you.

National Poetry Day 2017

Yesterday, Thursday 28th October, was National Poetry Day. Children have been very busy writing their own poems to celebrate this day, thinking about the idea, '**When I'm At My best...**' We had some wonderful entries and the children really thought about how to present their ideas as well as writing their poems.

In the Key stage 2 assembly today, every entry received a special certificate and prize. We are very proud of the children's thoughtful work.

Well done Darcy.

At the end of the Summer term Mr Battersby's class took part in a sponsored walk to help raise money and support Darcy in her fund raising for Christies. Over the summer, Darcy had her hair cut short, and through these two activities and generous donations, managed to raise over £750.

Well done Darcy on this fantastic achievement!

Year 5 and Year 6 secondary school information

There will be a display of information about local secondary school in the Key Stage 2 hall during both parents' evenings

Football

Yesterday, our Year 5/6 football team were out in force once again. Following last week's success at the MCMA tournament, the team travelled to Salford Sports Centre to play their first round of matches in the Salford JP League. With two wins and a draw, the team are off to a great start and are looking forward to playing in the next round of matches in the coming months. Congratulations boys and thank you to our members of staff who accompanied them.

We would like to reiterate the importance of the **PASSWORD** system that we have put in place in order to keep all of our children safe. Please understand that some of the staff who run the clubs may not necessarily know all parents of the children in their club; therefore, the password is designed so that all children are kept safe. Please make sure that you are familiar with the password and if anyone else collects your child, they are given the password to say on collection. I am sure that you will agree that this is the best way to keep the children safe.

The overview of the clubs on offer also shows the finish times and the collection point. Again, to ensure the safety of the children, please arrive promptly at the correct exit point, ready with your password. Unfortunately, we do not have the facilities for you to wait for children in the after school clubs.

Thank you for your continued support.
