

We're still here.

We are getting ready to close for the two week Easter break. The staff will be taking a break as well. We will be open for vulnerable and keyworker children over the next two weeks. We think we know who all these families are. If you feel you may be eligible for a place, please email familysupport@lilylane.manchester.sch.uk

We will be posting some suggested activities for the school holiday on the website tomorrow.

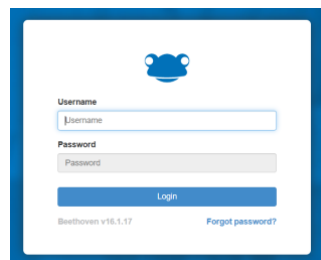

Frog Learning Platform

We have started emailing passwords to you for our Frog home learning platform (link on front page of website). We will be transferring some learning to this after the Easter holiday. As soon as your child receives their password, please take a look. Teachers have already been posting videos onto Frog.

Safer Learning

Please look on 'latest news' on the school website for some guidance on e-safety for parents and carers.

Manchester City Council Emergency Helpline

A new freephone helpline to support the most vulnerable people in Manchester during the Coronavirus pandemic will go live from 8.30am on Monday 30th March 2020 and this will sit alongside our comprehensive online portal, www.manchester.gov.uk/coronavirus is where people can access up to date information immediately.

The Hub's freephone number is: **0800 234 6123** and lines are open **Monday to Saturday**, between **8.30am and 5.30pm**.

Free School Meals Update

We are still providing packed lunches to collect each day for families in hardship or waiting for vouchers to come through. Please ring school before 10.00am to order one. You can book for the week. The link to apply for free school meals vouchers is:

[https://secure.manchester.gov.uk/info/500361/coronavirus/7938/coronavirus -
_benefits_and_money/4](https://secure.manchester.gov.uk/info/500361/coronavirus/7938/coronavirus_-_benefits_and_money/4) . More information can

be found on the website under latest news. If you are an **asylum seeking family** (and do not currently have a National Insurance number) please make contact with school, either by phoning between **9.00am and 3.00pm** (Monday to Friday) or email

familysupport@lilylane.manchester.sc.uk.

Home learning

Please contact school if you still haven't received your learning packs.

Lots of children have been extremely busy getting on with their home learning packs and online learning resources. Below you can find some examples of the amazing work that children at Lily Lane have been doing. If your child has completed some work that you or they are proud of, send it to their teacher using their year group email.

Kaja in 2J has built an impressive microhabitat for minibeads to stay. You have done a fantastic job Kaja!

Jamaldeen in RR has been watching penguins on a zoo live webcam and has drawn a fantastic picture of them. Great work!

Adam RK used the live web cam at Chester zoo to watch the Giraffes then produced this amazing drawing.

Lizzie in 5S has really enjoyed completing her maths tasks from her home learning pack. Well done Lizzie.

Isabella in 6B is now a budgeting professional after completing her challenge, to design her bedroom on a budget. Amazing work Isabella.

Hazel in 6C has also been designing her dream bedroom on a budget. Your illustrations and labels are brilliant Hazel!

Mia in 5L planted some 'magic message beans' that have started to grow. Well done Mia, you must really be looking after your magic beans!

Courtney in 4G has been busy designing her animal superhero and it looks fantastic!

Imaan in RR has taken on her home learning maths challenge – put the numbers 0-20 in order. Great work!

Katherine in RK has been using Google 3D imaging to take photos of pets in her home! Keep up the great work, this photo is fantastic Katherine!

Reshaping the world

One morning, I woke up and went to check my new telescope my mum had bought for me two days ago. Through my telescope, I saw two giant scissors shooting right into earth. I was wondering why it was shooting into earth. Just then one of the scissors blasted right into our direction but it was still far away. I was frightened, not just frightened, really frightened! I ran to the bathroom and had a quick shower. Then I went to put on my clothes, when I finished, I quickly had my breakfast. I wore my shoes and ran outside, I remembered to take my telescope with me and I also remembered to take my scooter with me. I rode on my scooter till I saw a giant hole. I knew that this was where the tremendous scissors cut through.

Soon then the huge scissors was coming closer to my house and the big scissors was about to cut me so I rode as fast as I could. There must be one way to get rid of this, I repeated to myself. Aha! I had ten pins inside a bag in my pocket. I threw them at the scissors which stopped it, just then the scissors disappeared. WOO HOO! I finally got rid of that scissors, all I need to do now is use my super gun and shoot it at the world and it will make the world turn back to normal. That is exactly what I did. I quickly ran home and took my shoes off and went back to bed. I wonder what happened to the other scissor.

Abdrahaman in 3T has written a creative piece titled, 'Reshaping the world'. You have used some excellent vocabulary Abdrahaman.

Michelle in 4G has been doing lots of science work at home, focusing on solids, liquids and gases. Great digital drawing Michelle. This looks great!

Yosola in 4G has been busy researching the dangers of electricity and has produced a fantastic informative poster.

There are so many great pieces of home learning being sent in each day. Don't worry if you haven't seen your contributions on the newsletter yet - they will be on soon!
