

We're back!

Today is the start of the summer term and it felt very strange today not being able to welcome everyone back. We hope that everyone has managed to have a happy and safe Easter break and that children are ready to continue learning with their teachers again. We will be sharing our daily newsletter again from today.

Home Learning

This week we will be preparing new home learning packs for the next few weeks which will be ready by Friday. Teachers are also busy setting up Frog, our learning platform (this is very similar to Tapestry which we use in Nursery and Reception). You should be receiving an email soon from the class teacher with your child's password. Teachers will be ringing to check in with you. Please remember if you receive a number withheld call, it is likely to be from school.

We hope that you have been able to access the stories, songs and poems on the website on the holiday activities tab.

800 Easter Eggs

We had a special delivery of 800 Easter eggs on Thursday of last week. Many families have been in to collect them. It's not too late to come and get yours.

Easter Competition

Don't forget that the 'Lily Lane's Egg-stravagant Book Challenge' closes on Tuesday 21st April (tomorrow) at 5pm. It's not too late to get creative and make your book character come to life as an egg.

Remember that the 'Easter Egg Competition' word challenge is also still running and will finish on Wednesday 22nd April at 5pm.
