

We're back!

We hope everyone is managing to get back into a home learning routine. It is probably going to take a while. The class pages on the website have been updated with activities to do for this week. We will have new home learning packs ready for collection on Friday and will be able to get them to people who are not able to come in and collect. For many families, they can be collected during the permitted daily exercise. It would be great to see people to say hello and answer any immediate questions. We have set up a collection area in the Kenyon Lane playground.

Home Learning

Teachers are busy setting up Frog, our learning platform (this is very similar to Tapestry which we use in Nursery and Reception). You should be receiving an email soon from the class teacher with your child's password. Teachers will be ringing to check in with you. Please remember if you receive a call from a withheld number, it is likely to be from school.

We hope that you have been able to access the stories, songs and poems on the website on the holiday activities tab.

Easter Competition

Don't forget that the 'Lily Lane's Egg-stravagant Book Challenge' ends today (Tuesday 21st April) at 5pm. It's not too late to get creative and make your book character come to life as an egg. Well done to the children that have sent in their egg-citing entries already. They look fantastic!

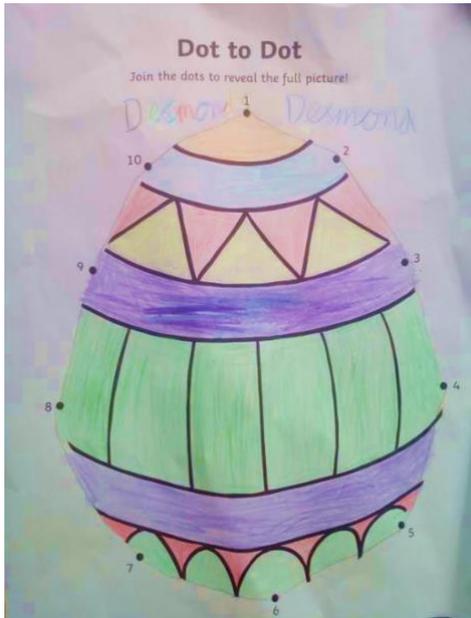

Remember that the 'Easter Egg Competition' word challenge is also still running and will finish tomorrow (Wednesday 22nd April) at 5pm.

We are looking forward to announcing the winners of 'how many words' and design an Egg character competition tomorrow.

Easter Activities

Lots of children have been extremely busy getting on with some of the challenges and activities that have been set during the holidays. Below you can find some examples of the amazing work that children at Lily Lane have been doing. Keep up the great work!

Desmond in 4S has put both his maths and art skills to the test during the Easter break. Desmond, this dot-to-dot Easter egg looks fantastic. Well Done!

Omede in 1H has been busy at home during the Easter break completing her Easter activities. Keep up the great work Omede.

Temi in 3T created an excellent Easter basket at home and has coloured it in beautifully. Well done Temi, this looks great!

Maisie and Darcy-May have worked together at home to complete their Easter activity booklets. You have done a fantastic job girl's, keep up the great work!

Isiwa in 5G has completed lots of her Easter activities during the holidays. Well done Isiwa, your basket and bunnies look great!

Reuben in RO has taken on the 'Easter Egg Competition' word challenge and has found some amazing words. Well done Ruben, your words are really impressive!

Please do not forget to send in home learning pictures for the summer term so that they can be published in the daily newsletter.
