Headteacher : Ms Julia Clark

Dear Parents and Carers,

As we come to the end of this academic school year on behalf of all staff and governors we would like to say we have been continually impressed over the last few months by the resilience and commitment families have shown and how hard everyone has worked.

In September, all children are expected to return to school. We have already published our plans for September, which can be found on the website. Families have been sent an individual letter with the end of year reports.

A message from Friends of Lily Lane – Vanessa Brand & Helen Jordan

Friends of Lily Lane would like to say an enormous thank you for the phenomenal way that everyone has worked together and worked so hard, the time they have given and the time and effort to help us get through this time. The school has been a beacon of light for so many families and staff have gone above and beyond, always with a smile, and in some instances making the sacrifice of not seeing their own families in order to look after others.

It would be difficult to single out individuals but I would like to make a special mention to:

Surujpaul and our cleaners who have worked every single day, cleaning and constantly rearranging furniture to keep everyone safe and to enable different bubbles to return to school.

Miss Pierce and Miss Peacock who have been in school throughout, answering the phones, giving advice and support.

Miss Finnigan who was responsible for making sure that we had a newsletter every day throughout lockdown, providing information and showcasing our children's amazing work.

Mrs Oldham, Mrs Oldham and Miss Daly who have worked tirelessly to ensure that we have kept in touch with all our families.

Learning assistants who have been so hard working and flexible; teaching, preparing resources, photocopying and collating over 3,000 home learning packs to keep everyone busy and continue with their learning.

Our senior admin Miss Barrett and business manager Mr Ahmed who have continued keeping the school running with all the important payroll, admin, finance and building maintenance.

And finally, to our teachers and senior leaders who have continued to focus on providing excellent learning opportunities both at home and in school.

We are proud to support such an impressive, fantastic school community.

We hope everyone has a happy, safe Summer. Keep looking at the website for any updates and information for September.

Thank you.
