

Thank you again for all your cooperation and support with the new arrangements with ensuring children have been able to return safely and happily to Lily Lane. You have been brilliant!

We are ready to start full days from Monday (please remember early finish on Fridays). We will continue to stagger start and finish times to make sure no areas become congested. Where possible (year 2 upwards) please say goodbye at the school gate. There are lots of adults outside to direct and support children into school. The children have been very good at getting used to new routines. We know that you understand that, for the whole school community's safety, they are changes that we must put in place and these are being implemented in line with government guidance and we have thought carefully how to adapt this to our school site.

We are sad that we still cannot allow parents into the building and also have to limit playground conversations as much as possible. Teachers will begin to make phone or email contact with parents next week to check how your child has settled. If you do need to speak to your child's teacher, this can be arranged by making an appointment over the phone or by emailing the school using the year group email address e.g year3@lilylane.manchester.sch.uk

Please e mail or phone the school office if you have any general enquiries.

Please remember:

- To arrive promptly, no more than a couple of minutes before, for drop off and pick up times.
- If you arrive by car, please think carefully about where to park and how to keep our children safe. Please consider walking to school wherever possible, or parking further away from school to reduce congestion. Please try to avoid parking on Lily Lane and Kenyon Lane. Lizmar Terrace will be closed to traffic.
- When dropping off, please use the allocated entry gate, follow the one-way system, drop your child off at the correct door and then leave the premises promptly via the designated exit gate.
- When collecting children, please use the allocated entry gate, make your way to the designated waiting area and maintain social distancing. Your child's teacher will dismiss your child into your care and then we request that you leave the school premises immediately via the designated exit gate.
- Arrows showing a one-way system when entering and exiting the school grounds.
- Designated waiting areas at pick up times.
- An expectation that all adults will socially distance on the school site and in the vicinity of school.
- Wherever possible, only one family member to collect children.
- Please do not allow any children to play in the MUGA or any play areas including the nursery.

Year Group	Who?	Start Time	Gates and Doors	Home Time
Nursery <small>From the 21st September</small>	am	9.15am	In & out - Nursery gate	12.45pm
	pm	11.45am		3.15pm
