

Returning books

It has been lovely to see children popping in today from year 1, 2 and 3. They have been busy bringing reading books back that they have finished reading and have posted letters and home learning into our fantastic crayon house.

Elmer will be waiting tomorrow for any more returned books from year 4, 5 and 6 children at the following times. Please also bring any envelopes with letters of home learning and post them so that your teachers can your work.

Thursday	
9.10-9.50am	Y4
1-1.50pm	Y5
2.10-2.50pm	Y6

World Book Day

Tomorrow is World Book Day and this year the theme is 'Everyone a storyteller, everyone an author'. We are so excited by this theme and the teachers have set the children a challenge to create their own story based on a traditional tale and to turn this into a book so that the children can then become authors. On our website and Frog pages you will find a range of fun, family friendly activities linked to World Book Day - we hope you enjoy completing these activities and we can't wait to see what you create. We also have a 'Masked Reader' event, if you log on to your Frog page you will be able to listen to a masked reader read you a story or poem and your task is to try and work out which adult it is. Have fun!

Year 5 and 6 trip to Boggart Hole Clough

Today, two more groups of children went on a lovely walk around Boggart Hole Clough. It was lovely to get outside in the beautiful weather, explore the local area and notice the early signs of Spring.

The most welcoming signs of spring

Our year 5 and year 6 bubbles had a great walk in the sunshine around Boggart Hole Clough today. We noticed how the delicate snowdrops had begun to grow and the beautiful yellow daffodils and crocuses - a small spring-flowering Eurasian plant of the Iris family, which bears bright yellow, purple, or white flowers. We also noticed the different birdsong and the variety of birds that were either in the trees or on the lake including the Canadian geese who have migrated here. We are really looking forward to returning in a couple of weeks to see if we can notice any more changes.
