

## Dance Festival

We have had a lovely end to the half term with our spring dance festival. Children from Nursery up to Year 5 performed traditional spring dances and songs and had a wonderful time. It was also our first event where we have been able to invite parents and carers in to school in over a year and it was amazing to see everyone who was able to attend. The children performed so well and clearly enjoyed the event, it was lovely to see.

Thank you to Mr Boardman, Olivia our dance teacher, Ms Dragisic, Mr Glynn (and 5G maypole dancers) and all the staff for all the work and practise which went into the event to make it such a success. Photos and video clips from the event will be on Frog class pages after half term. We are also compiling a film of all the dances and songs which will be on the website soon.

### Latest Signing for City

We are proud to announce that Dubem Okechukwu in 3G has recently signed for City. This is an amazing achievement. Well done Dubem!

3G have some very talented footballers, Divine Shitu was recently signed to Liverpool FC. Previously we have had Man Utd and Everton trainees.

We are looking forward to the Lily Lane Euros after half term and will be holding both a girls and a boys mixed teams competition to coincide with the Euros.

### Consultation on Timing of School Day for September

Governors have agreed to consult with parents and other stakeholders over the timings of the school day for September 2021. We will be sending out a questionnaire during the first week back to seek your views not just on the timings of the school day but also, the return of school clubs, after school and breakfast club, home learning and family workshops. We look forward to hearing your views.

### Year 6 Parent's Meetings

We were able to hold our first face to face meetings with parents in over a year this week. It was great to be able to meet again in person and so important to see our Year 6 families in this transition term. We are really proud of our Year 6 children and how hard they are working and how well they have managed some of the disappointments earlier in the year. We have a great final half term planned for them including our first ever giant sleepover with 95 children!

### Nursery and Reception New Starters

Letters have gone out this week to our new nursery children to start their transition into nursery. We are so pleased that families will be able to attend visits and stay and plays. Letters to Reception families go out in the week after half term.

We wish everyone a happy and safe half term and look forward to seeing everyone again in a week's time.
