

Year 1

Can you build a perfect home?

Summer 2 news

Maths

As mathematicians, this term we will be learning to count in 2s, 5s and 10s. We will be recognising and naming coins and also looking at the value of coins. We will add with coins and solve money problems.

We will learn how to tell the time to the hour and half past the hour and draw the hands on a clock face to show these times.

English

As writers, we will be focusing on using the non-negotiables to write. We will be writing full sentences, making sure we include: capital letters, finger spaces, full stops and writing on the line.

We will achieve this through a recount of the Rapunzel story, writing letters to our new teachers and story writing.

Topic

As geographers, we will be learning about human and physical features of different countries around the world.

As scientists, we will be learning about the lifecycle of a butterfly. We will also learn to name and describe different materials.

Dates for your diary:

School Trip – TBC

Sports Week – w/b 14th June

Sports day – Tuesday 22nd June

Maths market - w/b 28th June

School finishes on Wednesday 21st July – we wish you a wonderful summer holiday!

Books

- Rapunzel by Bethn Woolvin
- Storm Whale by Benji Davies

How to enrich your child's learning at home!

If possible, a trip to parks and farms would enhance your child's understanding and vocabulary.

A trip to the library to read books together will increase children's pleasure in reading and their confidence too.

Design and Technology

We will be designing our own houses. We will use different materials and investigate how to join these together.

P.E

We will be doing outdoor games and dance to develop our fundamental movement skills.

P.S.H.E

This half term we are focusing on 'transition and changes' to discuss their move to a new year group and new teachers.

We will be looking at British Values including building relationships within our community.
