

Year 2 Summer newsletter

In Summer 2, Year 2 children will be investigating the question, 'Would you like to be an explorer?'

English

As writers, we will be looking at different types of writing. We will be writing a recount, character description, writing in role as well as creating our own poems. We will link our writing to our question by using, 'Lizzie and the Birds' by Dawn Roberts and 'Man on the Moon' by Simon Bartram.

Mathematics

As mathematicians, we will be focusing on 2D and 3D shapes, place value and becoming confident using a variety of skills to complete calculations in addition, subtraction, multiplication and division. The children will also take part in problem solving to deepen their understanding.

Science

As scientists, we will be looking at living things and their habitats. We will match animals to their habitats including suitability and food sources. We will also be investigating closely how food chains work for animals including humans.

Computing

In computing, we will be learning about how to stay safe online including online games and search engines.

Topic

As geographers, we will be looking at where the Polar Regions are in comparison to home. As historians, we will be learning about the famous Polar explorer, Robert Falcon Scott.

Art and DT

As designers, we will be planning, designing, making and evaluating a product. We will explore materials and different ways of attaching these together before constructing our design.

PSHCE

In PSHCE we will be learning about perseverance and how this applies to us as learners. We will also be looking at transition in greater depth.

Homework/Home Learning:

Please remember to read with your child each night to support their learning .

PE

During PE, we will continue to take part in outdoor games, FIT4LIFE and dance.

Children take part in physical activity everyday.

Please note, NO jewellery should be worn for health and safety reasons.

Key Dates:

Sport week: week beginning 21st June.

Please wait for more information regarding your child's sports day.
