19th July 2021

Dear Parents and Carers,

Sadly, we have decided to end the school year two days early. We have reached a point where we do not have sufficient staff in school to ensure a calm and safe end to the school year. We also did not want to put any more bubbles at risk or have to ask families or staff to isolate at the beginning of the Summer holidays.

We are setting up the new class Frog pages and the website is being updated to include information about Summer activities and projects and important information for September. Please find included:

- Times of the school day
- Term dates 21/22
- Key information about the school

Reception families

If your child is starting in reception or nursery in September, you will receive a separate letter.

Gifts, messages and books

If you would like to drop gifts, cards or messages to staff (including staff who are leaving) there will be a post box in the Kenyon Lane playground from tomorrow.

Book Collection

There will also be a book drop off point if anyone would like to bring back any school books they have at home to return. 5B have already returned over 40 books.

Parent Questionnaire

Thank you to everyone who filled in the questionnaire. We received 114 responses. The information we received was very informative. Parents have overwhelmingly supported the proposed timings of the school day and to maintain the organisation for the start and finish for the day, including Group 1 and Group 2, one way systems and entry and exit gates.

Families will remain in their current groups. If your child is new for September or has joined the school during the year, you will be informed whether you are in group 1 or group 2.

Any questions regarding September, please email admin@lilylane.manchester.sch.uk.

If you require urgent support or advice our familysupport@lilylane.manchester.sch.uk will be monitored over the summer.

It has been an incredibly difficult 18 months. Throughout this time, we have been overwhelmed by the support and understanding we have received from our parent community and the resilience and positivity of our children. You have all been amazing and we hope that everybody manages to have a safe and happy summer.

Yours sincerely,

Julia Clark
