

Parents and carers

We made it to the end of the school year! We were sad to bring the term to a sudden end for the children. Staff have continued working in school setting up for the new school year and 6H returned yesterday afternoon for their leavers fest.

Hopefully all families have received a paper copy of the final letter of the year complete with term dates and school times for next year. We also included our key information and attendance posters. These can all be found on the school website, alongside important information for the new school year and information about summer activities and staying safe over the summer.

Goodbye and good luck

We would like to say, goodbye, good luck and thank to staff who are leaving today after many years at the school. We will miss them all and hope to hold a leaver's event in the autumn term that we will be able to invite parents to in order to say goodbye and thank you properly.

And finally wishing everyone a happy and safe summer. Thank you to all our families for their support and commitment to the school over the last very challenging year. You and your children have been amazing.

**Good luck and goodbye year 6!
Keep in touch.**

School uniform and PE kit

In September children will begin to bring PE kits into school again for PE lessons. In addition to this, children have daily fit for life sessions and very active playtimes. We are therefore suggesting that children can wear trainers or sport shoes (preferably black) to school every day. These are more practical than school shoes.

We wanted to inform families before buying any new uniform for September. The school does sell PE kits but plain t-shirts and shorts are fine.

Year 5 will be swimming this term.

Frog Pages

Teachers have set up the Frog pages for their new classes. There is lots of useful information on Frog for children and opportunities for home learning.
