

Lily Lane

Stronger Together

#Proud

On Tuesday 27th September, Lily Lane football squad took part in the qualifying round of the upcoming divisional placements at JJB Trafford Park. We welcomed many players making their competitive debuts for the school and we even had smiles whilst playing outdoors in the rain! We look forward to our next round of fixtures.

On Friday 30th September, we raised money for Macmillan. We held a coffee morning with parents and then sold cakes after school. Thank you to everyone who bought a cake and supported us with this.

#Updates

Reminder for our parent focus group on Wednesday 12th October at 9am. This is the perfect chance for you to hear about all of the changes we have made so far at Lily Lane, find out about our new vision and aims for this academic year as well as an opportunity for you to share your feedback. We will also be joined by the Chair of our new IEB so it is a chance to meet with him and listen to his plans for the future.

#Curriculum Spotlight

Monday 26th September was European Languages Day. On this day, each year group learnt 4 key phrases in a European language, they then had the opportunity to teach the other year groups in the Friday celebration assembly. All of the children took part in this and had fun learning their new language.

Friday 30th September was European Sports Day. On this day, each year group learnt to play a traditional outdoor game which is traditionally played in the European country they were assigned to. It was great to see all of the children learning this new game and practising this new skill.

We have been holding our meet the teacher events each day over the past couple of weeks where families have been invited to come in and meet their child's new class teacher and have any questions answered. Thank you to all of the families who attended these, we hope you found it useful. We look forward to seeing you all at our new teacher/family event.

#Staff training

The staff at Lily Lane have been continuing their own professional development after school over the past couple of weeks. We have had a session with our Literacy Consultant who worked with us on developing writing across the school. This week, we have been working on behaviour management and developing our behaviour policy, we will be sharing our new behaviour policy with everyone as soon as it is ready.
