

# Lily Lane

## Stronger Together

### #Proud

This week, we held our first parents evening of this academic year. It was so lovely to see so many parents and families attend and be able to share the children's learning with you all. If you haven't managed to see your child's class teacher, please arrange a time with them.

Lily Lane took part in the Manchester City wide cross country championships at Wythenshawe Park. The children were amazing. There were 2 top 10 finishers. There were over 100 children racing from all over the city in each race. The boys team finished in 5th place and the girls team narrowly missed out on the bronze medals, they finished in 4th place. Well done everyone.

### #Curriculum Spotlight

As it is the beginning of a new term, you should have received our year group curriculum newsletter. This shows what each year group is learning over the next half term. If you haven't seen yours, please log in to your Class Dojo account and have a look at the class story.

Monday 31st October, we had a staff inset day. On this day, the staff had training on safeguarding in the morning and then SEND in the classroom in the afternoon. Staff have already started to use this in their own practise in their classrooms and around school.

### #Date Reminders

**Wednesday 16th November** is School Photo Day. On this day, the children will all have individual photos as well as sibling photos. These will be available to purchase directly from the photographers by the end of November.

**Friday 18th November** is Children in Need day. The theme for this year is 'The Great Spotaacular'. On this day, we are asking all children to wear something spotty for a small donation. We will also be selling Pudsey biscuits at the end of the school day for 20p.

## #Child of the Week

We have now had 39 children chosen to be the 'Child of the Week'. These children have always shown ready, respectful, safe behaviours and have worked incredibly hard in class. Keep an eye out on the whole class story on Class Dojo to see next week's Child of the Week.

## #Winner

On Tuesday and Wednesday it was our parents evening. Every parent that attended on these days were given a raffle ticket to be entered into a prize draw.

We announced the winner yesterday, who was Niki Deng in 6M.
