Related Policies/Guidance	DfE Academies Handbook

The Trust is committed to the general principle of free education and recognises the valuable contribution that a wide range of activities, including school visits and experiences, can make towards all aspects of students' education. It also believes that all our students should have an equal opportunity to benefit from academy activities and visits (curricular and extracurricular) independent of their family's financial means.

The Trust works to ensure the offer of activities and educational visits does not place an unnecessary burden on family finances. To this end we will try to adhere to the following guidelines:

- where possible we shall publish a list of visits (and their approximate cost) at the beginning of the school year so that parents can plan ahead;
- we have established a system for parents to pay in instalments;
- when an opportunity for a trip arises at short notice it will be possible to arrange to pay by instalments beyond the date of the trip;
- we acknowledge that offering opportunities on a 'first pay, first served' basis discriminates against pupils from families on lower incomes and we will avoid that method of selection.

The 1996 Education Act requires schools to have a policy on charging and remissions for school activities, which will be kept under regular review. The policy identifies activities for which:

- voluntary contributions may be requested;
- charges will be made;
- charges will not be made;
- charges may be waived.

## Voluntary Contributions

Separately from the matter of charging, schools may always seek voluntary contributions in order to offer a wide variety of experiences to pupils. All requests for voluntary contributions will emphasise their voluntary nature and the fact that pupils of parents who do not make such contributions will be treated no differently from those who have.

***The Law states:***

- if the activity cannot be funded without voluntary contributions the school will make this clear to parents from the outset;
- no child will be excluded from an activity because their parents are unable or unwilling to pay;
- if insufficient contributions are received, the trip or activity may have to be cancelled;
- if a parent is unwilling or unable to pay their child will still be given an equal chance to on the visit.

**Charges Will Be Made**

The Trust reserves the right to make a charge for the following activities which may from time to time be organised by the school:

- **activities outside school hours** - the school will endeavour to provide a range of such activities from time to time. These will sometimes include day and residential experiences, and are known generally as 'optional extras'. Charges may be made for these activities. Board and lodging charges may still however be made for any residential activities subject to the remission arrangements described below and time spent on travel counts in this calculation if the travel itself occurs during school hours.
- **residential activities held during school hours** - charges may be made for the board and lodging element of those residential activities during school hours. Parents will be notified in advance of any such activities which the school proposes to organise and the estimated cost. Parental consent will be obtained for their children's participation in any such activities for which a charge may be made. However, pupils whose parents are in receipt of certain benefits (see remissions policy below) may not be charged for board and lodging costs.
- **music tuition** - music tuition for individuals or groups of pupils.
- **top up nursery provision** - Parents of children not entitled to a full-time nursery place will be able to 'top-up' to a full time place at the weekly price set by governors. Topping up will require parents to enter into a payment agreement with the school which stipulates that fees are to be paid in advance.

Parents will be notified in advance of any 'optional extras' which the school proposes to organise and the estimated cost. Parental consent will be obtained if their children are to participate in any activities for which a charge may be made.

Any charge for a particular activity will be dependent upon the type of activity and its cost and the number of participants. This charge will not exceed the actual cost of providing the activity, divided equally by the number of pupils willing to participate. The cost of other pupils participating in the visit will not be included in the charge.

The charge may however include an appropriate element for such things as:

- the pupil's travel costs;
- the pupil's board and lodging costs;
- materials, books, instruments and other equipment;
- non-teaching staff costs;
- entrance fees to museums, castles, theatres, etc.;
- insurance costs;
- the expenses only of participating teachers engaged on a separate contract for services to provide the 'optional extra'.

If the number of school sessions on a residential trip is equal to or greater than 50% of the number of half days spent on the trip it is deemed to have taken place during school hours (even if some activities take place late in the evening). Whatever the starting and finishing times of the school day, regulations require that the school day is divided into 2 sessions. A *half day* means any period of 12 hours ending with noon or midnight on any day.

#### Charges Will Not Be Made

Charges will not be made for the following:

- an admission application;
- education provided during school hours (including the supply of any materials, books, instruments or other equipment);
- tuition for pupils learning to play musical instruments (or singing) if the tuition is required as part of the National Curriculum;
- education provided on any trip that takes place during school hours;
- education provided on any trip that takes place outside school hours, is part of the National Curriculum;
- supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential trip;
- transport provided in connection with an educational trip.

#### Remissions

In order to remove financial barriers from disadvantaged pupils, the Trust has agreed that some activities and visits where charges can legally be made will be offered at no charge or a reduced charge to parents in particular circumstances. This remissions policy sets out the circumstances in which such charges will be waived.

Families will qualify for remission or help with charges if they are in receipt of:

- in receipt of Free School Meals.

Additional categories of parents may claim help with some costs in the following circumstances:

- specific individual circumstances that have caused temporary hardship;
- recently moved into hardship but not yet receiving the benefits mentioned above;
- made a specific request to the Headteacher for any other justifiable reason. The remission is at the Headteacher's discretion in these circumstances based on any evidence provided.

## CHARGES

## School Meal Charges

School Meal Charge for 2023/24 is £2.40.

## Music Tuition Charges

Visiting music teachers may offer individual or small group music tuition at the school and this is additional to the National Curriculum. We will give parents information about availability of this facility and a charge will be made for these lessons.

## Loss of or Damage to School Property

Parents/Carers may be asked to meet the costs of repair/replacement of school property lost or damaged as a result of a pupil's misbehaviour.

## Letting Charges

Recommending making the following change in relation to increase expense of opening these hours: changes to NJC, NI, increased in energy and cleaning materials.

Room Charge	£25.00 per hour (outside school hrs & year/term long booking) £30.00 per hour (outside school hrs & one off bookings or less than one term) £10.00 per hour (school opening hrs & year/term long booking) £15.00 per hour (opening hrs & one off bookings or less than one term) £125.00 per day (for holiday schemes of one week or longer)
Outdoor Spaces	£10.00 per hour (school opening hrs & year/term long booking) £15.00 per hour (year/term long bookings) £20.00 per hour (for one off bookings or less than one term) £65.00 per day (for holiday schemes of one week or longer)

The letting charge incorporates costs to the school on:

- energy use
- cleaning
- site management
- wear and tear

Premises hire charges are determined by the Finance and Resources Committee unless exceptional circumstances require otherwise. In such circumstances, charges are determined at the discretion of the Headteacher or the Chief Executive Officer. Such circumstances could be; marketing the school as a venue, additional impact on the school / cleaning based on the activity, multiple spaces used, impact on children and families in the school community.

Bookings for lettings are made through the Finance Officer, who produces a list of hirers for invoices to be prepared and sent to the SFM with a booking form.

For one off external providers and events the school would seek to maximise its income and the school would therefore charge what would be a market led price for the letting. For example, the school could set a rate above the letting charge that is comparable with alternative venues.
